Notes to Editors:

1. Details on the Railway Forum can be found at www.railwayforum.com

The Railway Forum is an industry wide body sponsored by the majority of the train operating companies as well as Network Rail, all three major rolling stock leasing companies, the Passenger Transport Executives, Transport for London, most of the infrastructure companies and many manufacturing and other businesses serving the UK rail industry. In all we have over 50 members. Our key role is to act as a think tank, information exchange and point of contact for those committed to and interested in our industry.
